## *The "Eclipse" Round-up Rangers*

**Garry Herald**—Garry is one of the young "Rangers" and besides playing ukulele, tenor guitar, autoharp and banjo ukulele is a tap dancer. Garry was born in Manitoba but lived for a number of years in Alberta and on the Pacific Coast.

**Eddie Johnston**—Eddie was born in Winnipeg and plays "fiddle" with the "Rangers". He also plays mandolin and viola and it is Eddie who yodels on the radio. He is the youngest member of the "Rangers" and says his ambition is to "put Gimli on the map".

**Bob Dressler**—Bob is the man with the piano accordion. He also plays violin and harmonica. Bob is the newest man with the "Rangers" and he comes from Saskatoon, Saskatchewan.

**Stuart MacFarlane**—Stuart was born in Calgary, Alberta. He claims that all "good" cowboys come from there. Stuart is rated as one of the finest harmonica players on the air today. He is young, big and shy.

**Ben Rodd**—Ben comes from Fleming, Saskatchewan, and plays banjo, tenor guitar, octophone and several other instruments. Ben is very popular with his interpretation of prison songs on the radio.

**Charlie Herald**—Charlie is "Foreman" of the "Rangers"; was born in Southern Manitoba and has lived for many years in the far West. He plays Spanish Guitar and spends the rest of his time trying to keep out of mischief.

# Introducing the "Eclipse" family , , , , ,

In our weekly broadcasts we have told you all about Eclipse Baking Powder and Eclipse Yeast Cakes. We have given you recipes and directions for their proper use. You have probably used both of these products—and, if you have, we know you have found them to be everything we have claimed for them.

Now we would like you to become better acquainted with the other members of the Eclipse family:—

*Eclipse Coffee*

*Eclipse Extracts*

*Eclipse Spices*

*Eclipse Pickles*

*Eclipse Jelly Powders*

You will find them waiting for you at your local store, and you will find them equal in quality to Eclipse Yeast Cakes and Eclipse Baking Powder . . . and there is no higher recommendation than that.

Give all the members of the Eclipse family a trial . . . we know you will say "Pleased to meet you."
